

PROVINCIA AUTONOMA DI TRENTO

EN

On **1 November 2015** the Autonomous Province of Trento introduced a provincial tourist tax, according to the provisions of Provincial Law 8/2002, article 16 bis.

The tax is due from all those staying overnight in accommodation situated within the province, for a maximum of **10 consecutive** nights at the same facilities.

THE AMOUNT OF THE TAX DUE FOR THESE ACCOMMODATION FACILITIES IS

2,20 **EURO PER PERSON/NIGHT.**

The following persons are **exempt** from the tax:

- Children under the age of 14;
- Those undergoing treatment at public and accredited private hospitals which have agreements with the national health service in the province;
- Those accompanying patients hospitalised in public and accredited private hospitals which have agreements with the national health service in the province, up to a limit of one accompanying person per patient;
- Civil defence workers and members of the police, armed forces and fire brigade if they are staying at the accommodation facilities in order to carry out their duties;
- Applicants for international protection, unaccompanied foreign children and the victims of trafficking temporarily housed at the accommodation facilities;
- Those staying at the accommodation facilities following measures adopted by the public authorities to deal with emergencies following disasters or events of an extraordinary nature.
